It's healthy and costs less than half the price of downhill skiing.
The trails are sheltered from the blizzards and it's a lot of fun for the whole family.

Package	Ski Hire	Lesson	Cost (2 Days XC Skiing)
Family Day (2 adults, 2 children)	1 day	2 hour	\$320 per family
Family Weekend (2 adults, 2 children)	2 days	2 hours on first day only	\$420 per family
Couples Weekend (2 adults)			\$275 per couple

Weekend packages include two days skiing and they represent a discount of up to 30% over the standard pricing. **They are available throughout the declared season and for the entire week, including week-ends.**

Mt.Stirling is adjacent to Mt.Buller so you can combine your downhill skiing with a few days of Cross Country. Save money and avoid the Buller crowds by enjoying the shelter and pleasure of Mt.Stirling's Cross Country ski trails on a week-end. Lessen the load on the back pocket by

bringing the family up for a couple of days of cross country fun. Invite your partner to enjoy a leisurely ski and romantic picnic amongst the snowgums or if skiing is not for you then ask us to provide you with a set of easy-to-use snow shoes instead. Snow shoes are permitted for use on all Cross Country Ski Trails within the Resort but please follow our code of practice by snow shoeing on the left hand side of the trails.
